

Minogue Medical Inc.

MONTREAL, July 3, 2014 – Minogue Medical Inc. (“MMI”), a Canadian specialty medical product distributor, is pleased to announce that it has acquired Montreal based Polymed Surgical Inc.

Polymed Surgical Inc., which has been in business for over 30 years, distributes medical equipment and supplies from leading manufacturers and also sells its own private label brands. Please visit Polymed’s website for more information. www.polymed.ca

“With this strategic acquisition, we will continue to further leverage Polymed’s strong brand name and products across Canada and offer the same great customer service to hospitals and clinics” said Danny Minogue, President and CEO of MMI. “We are extremely excited about the future of Polymed and we welcome the Polymed employees into the MMI family.”

About Minogue Medical Inc.

Minogue Medical Inc. specializes in the delivery of innovative medical technologies to Canadian hospitals and medical clinics. In addition MMI provides nutritional products for weight conscious patients and supplemental products to high performance athletes.

MMI was founded in 1986 and has grown into a leading distributor of surgical supplies, robotic surgery devices, medical equipment and supplies with offices in Toronto and Montreal and sales representation all across Canada.
